Dan Piroutek; *Tri-State Livestock News*, 605-544-3316  
Mark Hove, Hub City Livestock, 605-290-4896

**Ration** The bulls are on a TMR ration of ground hay, corn silage, corn, protein and mineral supplement. Ration formulated by Cattlecents Consulting, DeWayne Siebrasse, Aberdeen, SD.

**Feeding Arrangement** The bulls may be kept, at the ranch, after April 1, 2018, at the buyer's risk for \$2.00/day.

**Additional Performance Information** Adj. 365, ADG, and scrotal measurements will be provided sale day. Ultrasound information available sale day.

**Guarantee** Bulls will be guaranteed to your satisfaction and semen tested before delivery. If there is a problem, we will provide a replacement to use and credit at next year's sale.

**Insurance** Insurance will be available at a reasonable rate for both life insurance and loss of use coverage from Martin-Trudeau Insurance on sale day.

**Trucking** A \$100 discount per bull will be given if you take your bull home on sale day. Bulls not taken home on sale day will be trucked back to the ranch for later delivery.

**Health** Bulls are on a complete health program and have been vaccinated and poured for everything under the sun.

**Sale Terms** Cash or check payable sale day unless credit arrangements are made with Robert Birkliid before the sale.

*Additional information, ultrasound & performance data can be found on the website.*

*Please bring this catalog with you on sale day!*

---

# Welcome,

Welcome to our annual production sale! Every year that goes by allows us to overcome yet another challenge. This year's drought and fluctuating market have presented unique challenges to all of us. It continues to inspire us as we observe the ranching industry rise to the occasion and challenge, and find a way to survive and hopefully thrive. We would like to help you in that endeavor, with proven genetics to increase your herd profitability. We currently have 10 cows of the Sterling Dam of Distinction list and 5 of the Diamond Dam of Distinction list. The bulls in this year's lineup are among the best we have ever offered. We have several ET bulls out of one of our top cows, Diamond Dam of Distinction 622 bred to Patriot. These bulls show the consistency and strength of the lines. The Fargo line is also very exciting, eye catching and showing great growth in the numbers.

We have also developed relationships with order buyers and feed lots in several states that are very excited about our genetic lines and interested in your calves out of our bulls. With the worldwide market looking for farm to fork animal tracking and documentation, it is smart to explore and exploit any advantage found. Please let us know when and where your calves are going to market and we will help you get top dollar for them. We are actively working to develop even more marketing opportunities for our customers.

We look forward to the coming year, challenges and all. Ranching is a life commitment and calling, not a job, and we strive to help and support you, our customers. Every year we look forward to seeing our past customers and meeting our new ones. Please take a moment and say Hi at the sale if we don't see you first. We are looking forward to seeing everyone have a prosperous and wonderful year.

May everyone enjoy an easy calving season, plentiful grass and water and increased gains in the coming year.

Sincerely,  
*Robert Birkliid*

## **TERMINAL SIRE INDEX (TSI)**

The AICA Terminal Sire Index (TSI) is a formal method of combining Expected Progeny Differences (BWT, WWT, YWT, REA, HCW, MARB and FAT) – into one single value on which to base selection decisions. The TSI uses estimates of the genetic relationships between traits with an economic default value based on three year rolling USDA data.

The TSI represents a dollar index per terminal progeny produced for a bull in the AICA database, ranking them for profit potential. This dollar index is to be interpreted much like single trait EPD. For example, if Sire A's index is \$191.66 and Sire B's index is \$200.00, then we would expect Sire B's offspring to average \$8.34 more net return (\$200.00 minus \$191.66) than Sire A's offspring.

His influence gets stronger in the sale lineup every year. The gain ability of his calves in the feedlot is proof that his Trait leader status for YW EPD is real. Also, the offspring produced by his daughters is very evident as you look through the catalog and find time and again a high Indexing bull raised by a Fargo daughter. He is also a multiple Trait Leader. Co-owned with Lindskov/Thiel and RMB Livestock. Semen available.

This sire is seeing more use nationwide as well as here. Very attractive, heavy muscled bulls and feminine, easy keeping heifers that stay in the keeper pen are his strong points. I am very happy to be part of the Patriot group of owners along with LT and Satterfield Charolais. Semen available.

MARB	0.06

This Landmark bull by a Fargo first calf heifer was the heaviest actual weaning bull calf in the whole herd. He is showing no sign of slowing down. He was the heaviest bull the day we clipped and just keeps going. Correct, stylish, cleanly made, house cat disposition with a big scrotal. Retaining 1/4 semen interest.

527 and his dam.

**Watch & bid Online for Free at**

**DVAuction**  
Broadcasting Real-Time Auctions

**View the Auction Live!**  
**Bid Online... you're ringside**  
**right at your desk!**

Buying online is as easy as 1,2,3...

1. Create an account at [www.dvauction.com](http://www.dvauction.com) under the "register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction-a DV representative will notify you once you have been approved
3. Tune in for the sale and make your purchases!

**High speed internet** is required for successful bidding-be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

**Proxy Bidding**-if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

**Having troubles?** During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

These Patriot twins are from one of my favorite cows. She is a moderate framed, high volume cow and nicely uddered. A was raised on his mother and B was on a foster cow that didn't milk quite as well. They are both heavy muscled and moderate framed bulls that stand square, front and back. Very nice bulls that almost have a clubby look.

# CHAPPELL FEEDLOT

Located in the Panhandle of Nebraska, Chappell Feedlot is a family owned and operated custom cattle feeding business. Since 1992, our primary goals have been to provide exceptional customer service and assistance to retained ownership customers and investment feeders. We are proud of the relationships we have built over the years and would like to thank all of our customers for bringing their high quality cattle to us to manage.

Chappell Feedlot will express the genetic potential of their customer's cattle through sorting and grid marketing, maximizing the profit potential above the cash market.

- Certified Angus Beef licensed feedyard since 2004
- Certified IMI Global Feedyard for Source and Age verification programs, Non Hormone Treated Cattle
- Risk Management Programs
- Forward contract opportunities with major packers
- Forward grain bank buying opportunities
- Ultrasound sorting to maximize efficiency and profitability
- Feeder finance options and equity advances
- Personal service & attention
- Low stress cattle handling, utilizing flags and points of balance
